ABOUT ME

I am Tamrat Demse, a student and aspiring software engineer with experience in database management, full-stack development, and algorithms. I am passionate about learning emerging technologies and enjoy working in collaborative team environments.

WORK EXPERIENCE - PROJECT

DEVELOPED A PERSONAL BLOG WEBSITE

using Node.js, Express, MongoDB/Mongoose, React, HTML, CSS, and JavaScript. The site features user authentication, allowing password-protected users to add content. Designed a responsive and user-friendly interface, ensuring seamless content management and dynamic rendering of blog articles

DEVELOPED AN ONLINE BOOK STORE WEBSITE

using PHP, HTML, CSS, My-sql ,and JavaScript. The site is based on delivery services, featuring a user-friendly interface for browsing and purchasing books online.

OLINE HOSPITAL AND DOCTOR TRACKING

with integrated health appointment and booking platform, using html, css, javascript, and PHP

ONE MONTH VIRRRUAL INTERSHIP ON WEB DEVELOPMENT AT CODERSCAVE

I completed a one-month virtual internship on web development at CodersCave ,which include four task .I successfully completed the internship and receive a certificate and a recommendation letter
